Nairobi, Kenya

EDUCATION

MORINGA SCHOOL
Software Development

RIARA UNIVERSITY
Nairobi, Kenya
Computer Science
expected to graduate 2028

SKILLS

PROGRAMMING SKILLS

- JavaScript
- Python
- SQL
- Node
- React.js
- Tailwind css
- Restful APIs
- CI/CD
- Flask

SOFT SKILLS

- Project Coordination
- Problem Solving
- Teamwork abilities
- Conflict Resolution

PROFILE

Passionate and skilled Full Stack Developer with a year of experience in designing, developing, and deploying high-quality software solutions. Proficient in Python and JavaScript, with expertise in modern web development frameworks such as React, Node.js, and Flask. Experienced in database management (PostgreSQL, SQLite), CI/CD pipelines, and version control systems like Git. Strong in creating robust Restful APIs and integrating them seamlessly into frontend and backend architectures. Adept at solving complex problems and delivering scalable, maintainable solutions.

EXPERIENCE

Full Stack Developer
Self-Driven Projects
2023 - Present

Designed and implemented dynamic web applications with React and Node.js.
Developed and deployed scalable Restful APIs for seamless client-server communication.
Ensured database performance and optimization using PostgreSQL and SQLite.
Built CI/CD pipelines to automate testing and deployments, reducing release times.
Collaborated on team projects using Git for version control and effective code management.
Created accessible and visually appealing user interfaces, focusing on responsive design.
Scheduled client meetings to gather requirements and refine development strategies.
